Subject: A-TEAM HEADER SIZES  
To: Mullen-Sampson, Jayne  
Cc: Iler, Bill; Pettinelli, Bob

AS DISCUSSED, WE SHOULD MAKE CARTON AND PACK RACK HEADERS THAT ADVERTISE THE ADVENTURE TEAM. THE KEYLINES SHOULD BE SIZED AS FOLLOWS:

68701 \* SPRING LOAD HEADERS: 10 3/16"W X 8 7/16" H ( ALL AREA IS LIVE)

68702 \* CARTON RACK HEADERS  
LIVE AREA 23 1/4"W X 7 3/8"H  
TRIM AREA 23 5/8"W X 7 3/4"H

I RECOMMEND FORCE SHIPPING 20 OF EACH TO THE ENTIRE FIELD SALES FORCE. LET ME KNOW HOW YOU WILL PROCEED.

THANKS.

12/21

DAVE:

COULD YOU PLEASE PROVIDE A & K FOR THE ABOVE SIGNS. THE POS #'S ARE NEXT TO THE DIMENSIONS.

FOR THE SPRING LOAD HEADER — YOU MAY WANT TO JUST USE THE MAT LOGO.

THE B- RACK HEADER DESIGN MIGHT ALSO WORK FOR THE CARTON RACK HEADER — BUT THE FIELD IS OK W/ JUST PUTTING A MAT LOGO THERE TOO.

PLEASE CALL & DISCUSS IF THERE'S A PROBLEM IN GETTING THE A&K TO ME BY THIS WEDNESDAY 12/23.

THANKS.

JAYNE
